## *Greetings from the PRESIDENT*

Dear members,

Short and sweet this time. The Rowing World Cup is over so we have our club back so get your waterskis strapped on and get into the water.

The Rollos **Interclub** Series starts this month. We want to keep this trophy in our cabinet so are looking for the up and coming skiers. This competition is about continuous improvement and meeting fellow waterskiiers, so don't be shy to enter. See in this Newsletter for dates.

The **Club Boat** will have rostered drivers on Saturdays (8am to 11:30am & 1pm to 4pm) and Sundays (9:30am to 12:30pm). If you're keen to use this facility than please text the boat managers the day before.

**Junior Skiing** will take the form of one or two ski camp weekends. The first Junior Ski Camp is scheduled for the 4th and 5th December— see information in this Newsletter.

**Santa** is visiting our club—Sunday, 5th December some time during the BBQ Lunch when the Junior Skiing is finished

The **Club Season Opening Day** is scheduled for this Saturday, 13th November starting at 11am. Come and enjoy the new BBQ area. I'm hoping to see as many of you there for a BBQ Lunch. Please bring your own refreshments.

The **Sponsor's Day** has been moved to Sunday, 28th November (note change from previous Newsletter).

As a final note I would like to urge you to get your **subscriptions** paid before mid December. We have quite a few items that require repairs and finishing to ensure that we have a club that we can all be proud of and use with comfort in the upcoming water-ski season. Please post all sub payments to PO Box 159, attention Debbie Wortman.

Happy Carving

Thorsten Fobel

## **A note from the Editor**

Hello all, well now the rowing has finished, it is time to get back on the water!

I would like to congratulate Brad and Mandy Tunley on making the big and tying the knot on 9th Oct. Wish them all the best in married life.

Another big congratulations to Clint Prince and Amanda Calder on the birth of their baby boy. Hopefully he will allow Clint to do some skiing :)

Take note of the 'important dates' and inter-club/ competition dates, and hope to see you on the water soon, or by the new barbeques for a beer and sausage!

## **Other Information**

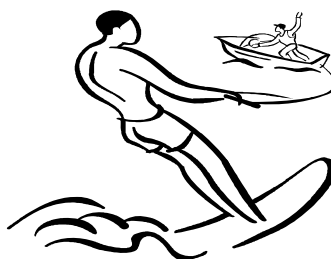

### **Navigation Bylaw/ Boat Naming**

The Navigation Bylaw has changed slightly this year. Part of this includes each boat must be registered and have a name displayed on it, as well as all passengers to wear a lifejacket in the boat. The bylaw covers all navigable waterways in the Waikato region and is aimed at ensuring the safety of users on these waterways. It sets out safe practices for people using the lakes, rivers and harbours for water skiing, swimming, boating, kayaking or other water activities safely, by seeking to reduce the conflicts between different activities. It is essential to read obey this bylaw to avoid fines and prosecution. For more information on this go to:

<http://www.ew.govt.nz.Policy-and-plans/Navigation-safety-bylaw/>.

### **Club Uniforms**

There are polo shirts, hats and coats, with the Karapiro logo on them, for sale. If you are keen, contact Paul Tunley.

# 2011 Rollos Marine Waikato / BoP Waterski Series

Piārerere

Aniwhenua

Ngakuru

Karapiro

Brooklyn

Mine Lake

This is a series of **F grade slalom events** specifically geared for the beginner and intermediate skier. This is your chance to represent your club in a series of low key events designed to help you make the step from just fooling around to a seasoned competitor.

These events are rated "**F**" (**Fun**) **grade** and skiers get two chances at their first run. However the competition is fierce. You will be skiing against yourself and seek to improve your score at each tour stop. The winner is the skier who improves the most through the season.

Many of New Zealand's top competitors have risen through this series to become world ranked skiers.

This series of events has grown so popular the tour has extended into the Bay Of Plenty region taking in stops as far away as Aniwhenua (Galatea).
